Summary

Student at Bournemouth and Poole college and aspiring web developer with experience in HTML, CSS, JavaScript, and Python, currently working with React and Three.js to build responsive, interactive web interfaces. Designed and developed personal and client projects focusing on performance, clean modern designs and interactive experiences.

Skills

Industry: Problem solving, analytical thinking, strong team work, great communicator

Frontend: TypeScript, JavaScript, HTML, CSS, React, Bootstrap, Tailwind

Backend: Python

Graphics & Interaction: WebGL, Three.js

Tools & Deployment: Node.js, Git, GitHub Pages

Cybersecurity: Website security practices, input validation, data security practices

Experience

Alexandra Dench Therapies

March 2025 - April 2025

Freelance Full Stack Developer

Remote

- Designed and developed the business website from the ground up using HTML, CSS, JavaScript, and React.
- Implemented a custom content structure to support service listings and client information.
- Managed deployment using GitHub Pages and handled site updates, maintenance, and troubleshooting.
- Collaborated directly with the business owner to align design and functionality with client needs.

Personal Projects

December 2024 - Present

Front-end / Full Stack Developer

Remote

- Built and deployed several responsive web sites and projects using HTML, CSS, JavaScript, React, and Three.js.
- Experimented with interactive 3D visuals and animations using WebGL and ThreeJS to create immersive experiences.
- Used NodeJS, Git and GitHub Pages for deployment and frequent updates of websites.
- Designed interfaces with Tailwind CSS and Bootstrap, with a focus on modern and clean designs.

Website Security

March 2025 - Present

Cyber Security

Remote

- Worked with cybersecurity professionals to review and improve the security posture of web projects.
- Gained practical knowledge of common vulnerabilities and insecure authentication methods.
- Implemented best practices in front-end and deployment security, including HTTPS, content security, and input validation.

Fish and Chip shop

April 2025 - Present

Crew Member

On-Site

- Worked in a fast-paced kitchen and customer service environment.
- Handled food preparation, order management, and cleaning tasks.
- Developed strong teamwork, time management, and communication skills under pressure.
